Fully unleash your style in your daily life like the boy in the film, and play up that #BattleInStyle spirit in Free Fire! New Look, New Chapter | Free Fire Official A Message from The Director | Free Fire Official Rampage Events Throwback | Free Fire Official A-Patroa is a strong, confident woman who uses her music to help the community. The exclusive skill slot can be equipped with any owned skill and the remaining slots are automatically unlocked when you obtain this character. VIEW CHARACTERS Iris is a deaf assassin who is chock full of energy. Within a certain time after releasing the skill, the skill user can attack a Gloo Wall to mark the enemies near it and penetrate the Gloo Wall to cause damage to said enemies (damage inflicted will be lower than usual). VIEW CHARACTERS J.Biebs dedicates his life and uses his singing to reunite the world. Skill user and allies can block damage using EP. In this case, the amount of EP deducted from allies will be added to the skill user EP. VIEW CHARACTERS Homer is a blind assassin whose other senses more than make up for his lost one. Releases a drone to the nearest frontal enemy, creating a 5m-diameter pulse explosion which reduces enemy movement speed and firing speed and inflicts damage on them. VIEW CHARACTERS Kenta is a strong-willed bladesmith who can make almost any weapon. Forms a shield that reduces weapon damage coming from the front. Resets when user fires a shot. VIEW CHARACTERS Nain is a man who chases storms looking for answers. Gloowalls deployed will recover certain amount of current durability every 1s when damage is taken. Increased damage when using ARs on Gloo Walls. VIEW CHARACTERS Leon is a student that has extreme basketball skills. Recovers HP after engagement in combat. VIEW CHARACTERS Olho is a university student who is the master of memory. Forms a memory mist when an enemy is eliminated, revealing positions of other enemies close by. VIEW CHARACTERS Thiva is the lead singer and musician in a band. Rescue (help-up) speed increases. VIEW CHARACTERS Dimitri is the sound technology engineer and musician. Creates a 3.5m healing zone. Inside, users and allies recover 3HP/s. When downed, users and allies can self-recover to get up. VIEW CHARACTERS 1/4Garena Free Fire is an exciting fighting game that involves a perfect blend of planning and chaos. Free to download, you take on combatants as player vs player. View more is there any chance to upload the Chinese version? hi, could you update to new version? thank you is the dmg multiplier still not working in this update? update please thank you... Welp... he wasn't on since Monday... Is he okay? @Yaskashije please update and check again the mod please Yaskashije is back so anytime now guys :) Page 2 thank you sir. welcome back lol guys you might as well stop the request... this doesn't get read or reacted upon - this has to be some automated process as the damage multiplier problem was reported 2 months ago and 4 updates.... tested and verified by support as well.... and no reaction whatsoever... just taking the piss really. hello, could u update to ver 3.4.1? new version is available today. Thank you thank you for fast update! WOW!! Thx for the fast update! Thanks so much for the fastest update bro. But excuse me, i use multi x1 and multi x100 to clear same quest same 4heroes - it is not work with me bro, i use samsung s8 some quest very very hard to do, and i think we need it. Thanks Page 3 Is there anything i can do about the constant freezing or crashing? Is it mod related or the game? No changes to settings fix it so far. Damage multiplier doesn't seem to work? Also can you please make it a specific value that we can manually set instead of making the max = 100? Or at least make the Max = 1000 or more Reactions; Bebeey i hope the dmg multiplier can be fix :(Page 4 Damage multiplier not working... why dont u fix this? update please thank you... For the love of god stop asking him to fix damage multiplier. It doesn't work as stated on post number #12. And let's wait patiently for the new update :) Thank you for your hard work. Unlimited Money, Unlimited Gems, Unlimited Diamonds, Unlocked Characters, High Dame, Onehit, God Mode. Fortnite Mobile (MOD APK, Unlocked All) is a BR game but has an extreme building mechanism and gameplay pace for players to express their creativity or absolute flexibility. Fortnite is one of the most trending and most popular games globally, with over a billion players and millions of people online every day in different sessions. Moreover, it is a cross-platform game and has arrived with mobile platforms to give every mobile gamer the best feeling for endless creativity. The game is famous for its impressive BR gameplay, but its greatness also includes other sub-modes, making the game comprehensible and enjoyable. Not only that, but the game is always collaborating with other famous franchises or series and featuring giant events or the appearance of iconic characters of other franchises. THE MOST CREATIVE AND FASCINATING GAME COMING TO MOBILE Fortnite's content is endless and creative, regularly updated every week, and always gives players new content to enjoy and explore with their friends. Its popularity on other platforms will continue until this release, and the game will simplify the most basic mechanisms to accommodate this platform. Furthermore, gameplay's variety and richness is always a new impression for players, including items, equipment, weapons, and special mechanics from the map. The game only gives players the resources, but they have loads of different uses to be creative and build whatever they love in gameplay. AN INTERACTIVE ENVIRONMENT WITH PLENTIFUL MATERIALS Fortnite was originally a sandbox action-adventure game, but BR mode's success changed everything and gave players many impressive elements. That includes an interactive environment, where players can exploit resources, take covers, build, and directly counterattack all enemies. The game also integrates with the live hologram building mechanism, and players can both build and fight, create covers anytime, anywhere and become creative in building tactics. That is also the main factor that makes the game thrive and at the same time accommodate various players. NEW CONTENT AND MECHANISM UPDATE WEEKLY Battle Royale is the game's main game mode, but the content and items inside the new map stand out most. Furthermore, the battle map is always expanding and introduces new environments, combining special effects items and various weapons. The game also enhances the character's flexibility for each type of environment, allowing them to fight harder, more bustling, and every encounter is action-packed. Not only weapons, but the game will have special vehicles that randomly appear in the environment, including supply drops that can give mysterious items that can overwhelm the battlefield. BEAUTIFUL CHARACTERS AND FABULOUS COSTUMES The fashion factor is Fortnite's most prominent trend, and it constantly introduces many impressive and eye-catching characters or outfits. All costumes do not affect the character's stats, but their effect is lively and funny, making the gameplay more enjoyable. The game will also add many outstanding activities with costume rewards, creating opportunities for all players to stand out in the crowd or on the battlefield. The costume element is an important thing for Fortnite, making the battlefield more exciting and funny, far from the other shooting action games. VARIOUS GAME MODES WITH MIND-BLOWING EVENTS If you've seen a few videos of Fortnite, its event-building ability is perfect and impressive, always giving players the feeling of excitement and countless attractive rewards. Not only that, but most events feature collaborations with celebrities or other franchises, typically the Avengers, Travis Scotts, and more. All events always come with a separate mode, with special rules and new things appearing to make the gameplay richer and more entertaining. EARN VALUABLE EMOTES WITH BEAUTIFUL EFFECTS One of the main reasons Fortnite is such a strong community is the emote, a special function that allows players to interact with others. All emotes have their meaning, even featuring special content for players to collect. However, the greatness from emotes is the sound, which helps players taunt or interact with other players on the battlefield and show friendly actions. Emotes have similarities with the fashion system, divided into various rarities, and players can get them through many different game activities. WELL-OPTIMIZED UNREAL ENGINE GRAPHICS The game is so accessible to everyone and cross-platform that Unreal Engine 4 is perfectly optimized. That will be applied on the mobile platform while demonstrating superior optimization so that players with medium devices can enjoy the game stably. The graphics highlight that it gives a feeling of realism but childish for a while, but is powerful in rendering effects and makes everything look perfect and vivid on each frame. Fortnite's greatness is its endlessness and creativity in all gameplay, so it always attracts many players on all platforms. Not only that, but its events are always spectacular and take place on a large scale, and players can win real-life prizes by continuously enjoying the contents of the game. The game will also feature a squad function, where players and friends roam the battlefield and do the craziest things. How to download and install Fortnite MOD APK?
